## 60 minutes of cordless shaving

Now with the most superior battery life of all Philips Shavers, the charging system gives you two convenient options: 60 minutes of running time after a single one-hour charge, or quick charge for one full shave. All Shaver series 9000 models are designed to operate only in cordless mode to ensure safety in wet environments.

## Personal comfort settings

Choose between 3 modes to customize your shave: Sensitive – for a gentle, yet thorough shave. Normal – for a thorough, everyday shave. Fast – for a quick shave that saves you time.

## SmartClick beard styler

Change your look with the SmartClick Beard Styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

## IF DESIGN AWARD 2015

Shaver series 9000 Precision, control and maneuverability are the defining features of the 9000 shaver.
